

August Informational Meeting

Description

To All SLAARC Members,

This SUNDAY, August 14th, 2022 at The Witches Hat beginning at 6:30 p.m., we will have our SLAARC August Informational Meeting.

The topic for the meeting will be a discussion of the changes to the N8SL Repeater System which will enhance its availability and reliability.

This week I met with the person responsible for the network at the Witches Hat. I now have the correct SSID and Password to connect to the Network there.

I tested it with my laptop, and I was able to access the network without any problems.

Therefore, we will also be broadcasting the meeting LIVE via Zoom Meeting for those who cannot attend the meeting in person.
