

January SLAARC Meeting

Description

All,

Just a reminder that next Sunday January 14 will be our first club meeting.

We will have a meet & greet starting at 6:30pm at the Witches Hat Depot. There are a few of us who have been meeting at the Witches Hat Brewery before the meeting starting at 5:00pm anyone is welcome feel free to stop in and get dinner before the meeting. This will become a regular activity this year.

There is also one important change that happened with the board of directors, is that the club roster will now be handled by Louis Kolenc N8LEK if you need any roster changes please email or talk with him.

Lastly, the **club survey is still open**. We have received many great responses and are taking that information into consideration. If you have not taken the survey yet, it is still open and will remain open. Link to the survey <https://forms.gle/oYG3Ge1zQSYzkEGY8>.
