Welcome to the Holiday Seasons, Hams! Here is your roll-up of what is on the South Lyon Area Amateur Radio Club calendar for this month:

Monthly: Club-Meeting: Sunday November 10th at 6:30pm – In-Person (Open to all)

The monthly club-meeting is an opportunity for members to meet in person and share a dinner (optional) at the Witch’s Hat Brewing Company (starts at 5pm) before proceeding across the street to the official meeting place. Club meetings occur at Witch’s Hat Depot starting at 6:30pm, and generally last 1 hour. Topics for each months meeting will be posted prior to the meeting. This event is open to anyone with an interest in the club or amateur radio. You do not need to be a member to join us!

Important Note: This month is a voting meeting. Membership will be voting for multiple Board positions to carry the club through the next couple of years. If you cannot make this meeting in person, please join us on Zoom to be involved in the voting.

Monthly: 2-Beer Social Radio Hour: Friday November 22nd – In-Person (Open to all 21up)

Come check out our “2-beer Social” and chat about radio projects with other like minded folks! We would love to see you and raise a pint with some club members to talk about the hobby and enjoy a cold brew at the end of the week. Occurs the last Friday of each month from 5-7:00pm (or beyond, feel free to come a bit late if your work or commute dictates). *Important Note:* This months Social occurs one week early (Friday Nov 22, 2024), due to the holiday.

This month we will meet at [Rivers Edge Brewing in Milford!](#)

Weekly: Sunday Evening 8pm – The Official SLAARC NET (Open to all licensed Amateurs)

Join us to chat about your recent radio achievements, hear club news, and have a chat with other club members. The weekly Sunday Evening net is the official NET of the SLAARC club and occurs on each Sunday on N8SL (147.040+ 110.9p) where the club doesn’t have a regular monthly in-person Meeting!

Weekly: Thursday Evening 10pm – The Informal Late-Night Roundtable. (Open to all licensed Amateurs)

The Late-Night round table brings a bit more casual conversation with other night-owls on the repeater N8SL (147.040+ 110.9p). This is not a formal net, so feel free to come by, jump into the conversation whenever a topic peaks your interest. Hosted by N8JRD or W8KNX, we’d love to have you for a late-evening chat!
